What's your time **worth?**

Preparing 150 Sandwiches

Step 1 Submit your request via our submission form located on the homepage of the web site (363days.org). Please include the number of sandwiches and the location where you plan to drop off.

Step 2 Purchase food as follows:

Meat Pre-packaged turkey, chicken or turkey bologna products that make eight helpings per package (two slices per sandwich). 19 packages is plenty.

Cheese There are packages of cheese that come in quantity of 72. Buy two packs plus another small eight pack. (one slice per sandwich)

Bread A loaf of bread generally makes 10 sandwiches. 15 loaves.

Condiments No butter, mayo, mustard is necessary.

Zip Lock Sandwich Bags commonly come in boxes of 150.

Storage Please place the completed bagged sandwiches back in the bread bags. Ensure to keep all sandwiches properly refrigerated at all times.

There will always be extras of something...do your best.

Step 3 **Drop off sandwiches at a drop site nearest to you. If you plan on making more than 500 sandwiches, please notify the drop off facility 48 hours in advance.**

Health Guidelines Please wear hats or hair nets when preparing sandwiches. Wash hands and all applicable preparation surfaces. Refrigerate your sandwiches at all times at 41F or below.
